Creative Media
/ Videographer

SEYMOUR & LERHN

Job Opportunity

An opportunity has arisen for a Creative Media / Videographer role within our design & visualisation studio. The role is to assist with the delivery of our marketing campaigns, client content creation and service support videos.

About Oasis Studio

Oasis Studio is multi disciplinary design and visualisation company specialists in serving services for the built environment from architectural design to interactive marketing visualisation, now we also serving the educational sector with our interactive visualisation and VR services.

Currently based in Eckington, Sheffield we are relocating to a new office in Chesterfield in March 2019.

Shortlisted for the FSB Employer of the Year 2019

Position

The Creative Media / Videographer position serves as the company's expert responsible for managing and delivering digital video content and creative media.

We have a fantastic opportunity for a Creative Media / Videographer to grow skills as part of a young and expanding team. We are keen for applicants who are enthusiastic, self-motivated and keen to develop. The successful applicant will be hopefully become a key member of staff and expand on the role.

The position is responsible for production and management of branded video projects, including the pre, shoot, and post video production (i.e. strategy, ideation, shooting, editing, project prioritization, management of videos, and content delivery).

Digital image creation and editing in Photoshop working with Creative Visualisers in the VR and Augment environments.

This position works closely with the Marketing Manager to build branded video / creative media content across all channels with accuracy and consistency, elevating the brand experience and ultimately driving consumer engagement and expanding services of Oasis Studio. More specifically, this role is responsible for the creative development of video concepts, original and compelling video content for Marketing, Social and Acquisition assets, in addition to other cross functional needs.

Reports to: This position will report to the senior team and Marketing Managers

Hours: 38.75 Office hours Mon-Fri (open to flexibility subject to negotiation)

The right candidate has the opportunity to make a difference within a growing business with global reach potential.

We're pleased to offer our comprehensive benefits package. This includes:

- 20 - 24 days holiday per year increasing with length of service
- All Bank holidays off
- Competitive salaries
- Company bonus scheme
- Fruit and tea & coffee supplied
- Great office social club

Salary is ultimately what you are worth and following the initial starting it salary it would reviewed after 6 months + Bonus + Company Benefits

Start March / April 2019

APPLICATION PROCESS

Please send in your CV along with a covering letter of how your skill-set will fit in with the requirements as required for this role and submit links to your portfolio/website for consideration.

As the position requires a person with an understanding of what attention to detail is, a simple CV without a covering letter will potentially be rejected as an incomplete application.

Due to the high volume of applicants for every role advertised, if you do not hear from us within 21 days of your application, please assume you have been unsuccessful on this occasion and we would wish you well in your career aspirations

Application closing date 18th March 2019
