WE'RE HIRING

3D Visualiser

SEYMOUR & LERHN

Job Opportunity

An opportunity has arisen for a 3D Visualiser role within our design & visualisation studio. The role is to assist with the delivery of our property marketing virtual tours and educational content for schools and museums.

About Oasis Studio

Oasis Studio is an award winning multi disciplinary design and visualisation company specialising in serving services for the built environment from architectural design to interactive marketing visualisation, now we also serving the educational and heritage sectors with our interactive visualisation and VR services.

We have recently (March 2019) relocated to new offices in Chesterfield as part of our ongoing expansion.

Shortlisted for the FSB (East Mids) Employer of the Year 2019

The Role

Supporting our experienced developers with 3D and visualisation tasks, the chosen candidate will help contribute to content generation for services of eyesiteview.co.uk and seymourlerhn.com

The position would ideally suit a recent graduate / soon to graduate from creative visualisation degree or a motivated individual with proven skills be they self taught or industry trained.

You should also have a keen interest in new / emerging technologies and how they are changing the way consumers interact with products and the built environment around us.

Reports to: This position will report to a senior team member Lead Visualiser or Associate
Hours: 38.75 Office hours Mon-Fri (open to flexibility subject to negotiation)

REQUIRED

- 3ds max (or a similar software with transferable skills)
 - Photoshop/photo editing software
 - Excellent modelling skills
 - Excellent eye for detail and composition
 - Passion for generating high quality imagery
-

DESIRED

- Previous architectural visualisation experience
 - Use of architectural modelling software / Revit
 - Experience with Vray
-

PERSONAL QUALITIES

- Self-motivated with the highest level of attention to detail
 - Works well in a team environment
 - Strong communication skills
 - Takes direction and feedback well
 - Meets deadlines and handles multiple tasks
-

PERKS OF THE JOB

We've expanded in the last year and looking to do the same again this year but remain relatively small with 16 employees so this is the chance for you to get in on the ground floor. The right candidate has the opportunity to make a difference within a growing business with global reach potential.

We're pleased to offer our comprehensive benefits package. This includes:

- 20 - 24 days holiday per year increasing with length of service
- All Bank holidays off
- Competitive salaries
- Company bonus scheme
- Fruit and tea & coffee supplied
- Great office social club

Salary is ultimately what you are worth and following the initial starting it salary it would reviewed after 6 months + Bonus + Company Benefits

Start April / May 2019

APPLICATION PROCESS

Please send in your CV along with a covering letter and portfolio examples

As the position requires a person with an understanding of attention to detail, a simple CV without a covering letter will potentially be rejected as an incomplete application.

Due to the high volume of applicants for every role advertised, if you do not hear from us within 21 days of your application, please assume you have been unsuccessful on this occasion and we would wish you well in your career aspirations

Application closing date 14^h April 2019
